1. *Qualifications for appointment.*—(1) Candidates must be between 29 and 35 years of age, but this condition may be relaxed in cases of direct recruitment to the posts of Matron Superintendent and Assistant Matron Superintendent.

Claims for conveyance of baggage not exceeding 12 cwt. will be allowed on production of vouchers. Travelling expenses will also be allowed on the above occasions from the place of residence to port of embarkation and from port of disembarkation in India to destination in that country and vice versa. 9. A ward sister who resigns (except on account of ill-health) before the completion of three years shall forthwith refund the cost of passage and the travelling allowance drawn in respect of her journey to India in proportion to the period of uncompleted service and shall forfeit her claim to a return passage. The outfit allowance drawn by her should also be refunded if she resigns within one year from the date on which she joins duty. Further if she fails to give the notice required by rule 4, she shall pay an additional penalty equivalent to her pay for the period required to make up the three months' notice.

10. A ward sister who on completing three years' service re-engages for a further period without availing herself of a return passage, shall be entitled to a free passage home under rule 8, whether or not she resigns before the expiry of the term of re-engagement.
